MEMO ENDORSED

RE: BEJAOU, Mondher
Reg. No.: 63673-054
Crim. No.: 10 CR 553 (SHS)

Dear Judge Stein:

The above-named defendant has been designated to undergo a forensic evaluation pursuant to your order dated May 24, 2011. We had expected to complete the evaluation by August 9, 2011. However, Mr. Bejaoui is a very complicated case with numerous physical and psychological issues. Given the complexity of his case, the current forensic caseload, and a shortage of forensic staff, we respectfully request a further 30-day extension of the evaluation period. If the extension is granted, we will complete the evaluation and notify the U.S. Marshals Service by September 9, 2011. The Court may expect a final copy of the forensic evaluation within three weeks of that notification.

Please feel free to contact Dr. Channell at (978) 796-1000, extension 1471, should you need more information.

Sincerely,

J. Grondolsky

Extension granted, but the BOP is directed to complete the evaluation and report as expeditiously as possible.
